Creating a Love of Learning

29<sup>th</sup> January 2026

Dear Parents / Carers,

## **Science Dome Workshop – Wednesday 4<sup>th</sup> February**

I am very excited to inform you that I have secured, at significantly reduced cost, Science Dome Workshops for all year groups on Wednesday 4<sup>th</sup> February.

The dome will be setup in the school hall and every class will have the opportunity during the day to attend a presentation which takes place inside the dome giving an immersive experience of the science topic being covered.

We have secured this as significantly reduced cost, although a voluntary contribution of £3.50 would be appreciated to cover the cost of this exciting workshop.

The dome being setup in the school hall will impact lunches next Wednesday and any lunches ordered have been amended to packed lunch as we will not be able to serve hot meals. If you have paid for a hot lunch and wish to provide your own packed lunch please contact the school office.

Yours sincerely

**Mr Laken**  
**Executive Headteacher**
