Creating a Love of Learning

28th April 2026

Dear Parents and Carers,

Fo Cycling Workshops – Thursday 14th & 21st May

We would like to take this opportunity to supplement the children's learning with a balance bike workshop provided by Fox Cycling. They will offer 30 minute sessions on the 14th and 21st May. Bikes and safety equipment will be provided.

These workshops will help the children build confidence and coordination, develop early cycling skills and are the first step towards independent cycling. The sessions will be delivered in small groups supported by the class TA or Teacher.

Voluntary Contributions & Permission

We are asking for a contribution of £10 per child. This represents excellent value compared to similar programmes which are typically £8.50 per session and do not include equipment being provided.

If you wish for your child to attend, please complete the permission on My Child At School and make the payment of £10 by Friday 8th May.

Yours sincerely,

Mrs Earthy and Mrs Bull
